Subject: Special Program

Dear fellow BCS members and friends,

This year, we have decided to organize a special music program featuring the prominent Bangla band group of "Bhoomi" on the July 11th. Although, it is a challenging endeavor to bring together a program of this scale, we hope that this program will bring top class entertainment for all of us. We the EC members are trying to overcome the logistical hurdles and address the details from different dimensions.

Although the Bhoomi band group is well known internationally and many of you are already familiar with them, let me point out a few of many accolades conferred to them: recognition as the best bangla band for two years, bagged the largest selling album, done music for UNICEF projects and many others. You may take a look to their web site "<http://www.bhoomimusic.com>".

I must point out that being members of the EC we can only put our sincere efforts to organize such an event. On the other hand you are indispensable for the success of the program and your help and contribution is invaluable to us.

With best regards

Suman Chakravarti
