We invite you all to join the fun of the summer with your family. Please give the names of the willing families to:

[Shouvik Majumdar, Secretary, BCS; e-mail: shouvik2000@yahoo.com](mailto:shouvik2000@yahoo.com), Phone#:440-339-3824

OR [Supriyo Pyne, Treasurer, BCS; e-mail: skpyne@yahoo.com](mailto:skpyne@yahoo.com);

Please call or e-mail them before **8 pm August 2, 2009** which will help in better organization of the picnic.

This is a pre-announcement about our Health Fair and Health Awareness Program on **August 29, 2009**. We are witness to so many of our members suffering from various health problems which are potentially preventable. In that context it has become absolute essential to know about common health problems, their early symptoms and preventive strategies. So we have decided to hold the Health Fair in the initial half and then a compilation of brief health talks by the experts in their respective fields followed by question and answer session. Please mark your calendar now. The details of the program will follow in our next e-mail.

Lastly we are all aware of the devastation caused by the storm '**Aila**' in Bengal and around. We appeal to our members to please donate whatever money you can and send the check payable to BCS (please mention in the MEMO :**Donation for Aila**) and send to our treasurer, [Supriyo Pyne, 12000 Fairhill Road, # 713, Cleveland, Ohio 44120, phone#: 216-231-9547, e-mail: skpyne@yahoo.com](mailto:skpyne@yahoo.com). We will collect the donation for this noble cause till the time of Durga puja. We got an earnest request from the **Ramkrishna Mission Calcutta Students Home at Belgharia**, they are spearheading the rebuilding effort after the storm damage.

Thanking you,

Sincerely yours,

Shouvik Majumdar, Secretary, BCS

Debabrata Ghosh, President, BCS
