Subject: Health Fair 2009

Dear friends,

Thanks for participating in the picnic organized by our society on 8/8/09 to make it a success.

The incidence of heart disease and stroke is very high among Asian Indians; we are witness to this fact when we look at our own society members. In that context it is very relevant to be aware of common health problems we face and learn their prevention. With those facts in mind we are happy to announce our next important activity: **Health Fair and Health Awareness Educational Program on Saturday, the August 29, 2009 at India Community Center**, 12412 Cedar Road, Cleveland Heights, Ohio. The details of the program are as follows:
