Subject: Sept 18th: Health Fair

Dear Friends,

Thanks for participating in the picnic organized by our society on 7/24/09 to make it a grand success.

Our next event is not focused on entertainment but more on education. The incidence of heart disease and stroke is very high among Asian Indians; we are witness to this fact when we look at our own society members. In that context it is very relevant to be aware of common health problems we face and learn their prevention. On top of it we are blessed to have a lot of reputed medical practitioner in our society, With those facts in mind we are happy to announce our next important activity: \*Health Fair and Health Awareness Educational Program on Saturday, the September 18th, 2010\* at \*India Community Center,\* 12412 Cedar Road, Cleveland Heights, Ohio.

The health fair will have two major components:

- Free Health Check-up
- Health Awareness Educational Program

The details are as follows:
