Subject: ICC Renovation - Fund Request

Dear Members,

FICA has decided to renovate the ICC building very soon. In order to do so FICA is raising fund for "ICC Renovation". They are requesting all sister organizations to step up for this important activity. In a bid to raise funds, BCS requests all its members to donate money for ICC renovation.

Considering the fact that we utilize the building most frequently for all our programs and activities, we are requesting all our members to donate freely for the cause on or after the Lakshmi Puja. The fund raising drive will end by Nov 3rd, 2010.

Please make your check payable to *BCS, Cleveland *and ensure the comment section have *"For ICC Renovation"* written.

Members can also mail their check to:

All proceeds from the fund would be handed over to Subha Pakrashi and Sunil Dutta, both senior members of BCS as well as members of FICA Board of Trustees who are spearheading this fund raising drive.
