Subject: An urgent GB meeting Friday 8:00 PM at the ICC building

Dear Members,

We are writing this letter to remind you that an urgent GB meeting will be held on Friday May 13th evening 8:00 PM at the ICC building, as announced by our President Prabar Ghosh, during the Rabindra jayanti program in Tri-C.

The ICC building which we use in almost all occasions may not exist and be available to BCS anymore without your active and thoughtful support. Please plan on attending this important meeting to share your opinion regarding the fate of the ICC building with other members of the community.

We would also request you to attend the very important Community Forum, organized by FICA, on Sunday (5/15 at 2 PM) at ICC.

Best Regards,

BCS, EC, 2011
